Rental: Published equipment sizes are approximate. Rental prices are for the length of the event, not to exceed seven days. Rental includes delivery to a Las Vegas convention facility, set-up and break down labor. In most cases, the equipment will be set-up within four hours of the time stated on your rental agreement. Break down will occur the day the event ends.

Payment: Orders must be paid in full to reserve the equipment. We accept checks, MasterCard, Visa or AmEx. Checks will not be accepted unless received at least 14 days prior to set-up date.

Security Deposit: A valid credit card (with an expiration date that exceeds the end of the event) is required as a security deposit for all orders. The exhibitor is responsible for any lost, stolen or damaged equipment between the set-up and break down dates of the event.

Order Changes: All order changes must be confirmed by LiteStream. On-site orders will be billed at 2X the published rate + a \$75 delivery fee. Additional labor will be billed at \$150 ST / \$225 OT per man hour (ST = Mon-Fri: 8am-5pm / OT = All other hours). LiteStream is not required to honor any on-site order changes. If an event ends early, LiteStream must be notified immediately by calling: 702.664.1227.

Cancellations: Cancellations prior to 14 days in advance of the set up date will receive a 50 percent refund. There are no refunds or credits for cancellations within 14 days of set-up, or thereafter. If the client decides to have any equipment removed from their booth prior to or during the event dates, the entire rental fee plus a 10% removal fee of the total order will apply.

Exhibitor Responsibilities: Exhibitor acknowledges that all information on the Rental Order is accurate, including: exhibit hall, booth number, set-up & breakdown dates and times. Any changes must be made in writing at least 48 hours prior to the set-up day. Exhibitors are responsible for advanced ordering (at least 3 days prior to the set-up time) of carpet, electrical service or any other show service required prior to LiteStream installing the rental equipment. A \$150. per man hour waiting fee will be added to the rental order if LiteStream labor is delayed.

On-Site Resolutions: In an effort to provide the best service in a timely manner, the exhibitor gives LiteStream or their sub contractors authority to resolve any and all issues regarding the completion of the order. If the exhibitor has a credit card on file with the General Service Contractor, this credit card will be used to initiate and pay for the required third party equipment, services or labor work orders.

If the exhibitor does not have a valid credit card on file with the General Service Contractor, LiteStream, at their discretion, may initiate and pay for the required equipment or services. The full amount billed to LiteStream, plus an additional \$200. service fee, is the responsibility of the exhibitor and will be billed to the credit card used to place the rental order with LiteStream.

Signs: The exhibitor must contact LiteStream for sign production requirements. The client is responsible for any damages resulting from signs produced, installed or removed by the exhibitor.
